VEGETINE

THE VERY BEST MEDICINE

-FOR-

Dyspepsia and Indigestion.

NEWTON, N. H., March 27, 1877.

Mr. R. H. STEVENS--Dear Sir:--Once more I take the pen to praise the

king of Medicines, Vegetine. When I began to

take Vegetine two years ago with such marked ben-

efit, my friends thought it was a stimulant effect,

and would soon subside, leaving me as bad as be-

fore. Thinking that some of those who read the

testimonial that I wrote at that time, might think

that I was once more to satisfy them on that

point. Since I began to take Vegetine almost two

years ago, I have gained steadily until the present

time, at which I am enjoying my former health, and

consider myself cured by Vegetine. Two years

ago I was as low as a man could be and live. I was

confined to the bed for eight months, and given up

to die by my doctors. Some of the most skill-

ful medical men of the State. They said I had several

diseases, including consumption, heart disease, and

several others, equally fatal, and must die. But

Vegetine, taken as a last resort, brought me through

to that I owe my life. Since my health began

to improve, I have made a study of disease, and find

the cause of my symptoms to have been Dyspepsia

or Indigestion, and I also find that five cases of

disease in every six are effects of the same cause.

When the food is not properly digested in the stom-

ach, it becomes a poisonous, putrid mass, which is

absorbed into the blood, and by that is conveyed to

all parts of the system, causing symptoms of disease

in any or all of the organs of the body; and if this

cause is not removed, these symptoms become in

time organic diseases. I have given Vegetine a

thorough test in my own case, and also in that of

many of my acquaintances, and find it to be the

very best medicine extant for Dyspepsia or Indiges-

tion, one of the symptoms of which is usually the

belief that you have some organic disease. I am

well known in the towns of Grafton, Ware, and

Newton, of this State (N. H.), and can furnish an

undeniable corroboration of all these statements.

I will willingly answer any letters of inquiry in re-

gard to my own case, or the use of Vegetine.

Yours truly, J. A. J. BIRBECK.

If VEGETINE is taken regularly, according to di-

rections, a certain and speedy cure of Dyspepsia

will follow its use.
